PRIVACY POLICY

Effective September 17, 2026

This Privacy Policy describes the basic privacy practices for moonshinegaming3.com. The website is primarily an informational music, creative-media, gaming, and faith website.

1. Information You Provide

If you contact Moonshine_Gaming3™ by email or through a linked service, information you voluntarily provide may be received and used to respond to your message, request, copyright inquiry, or other communication.

2. Basic Technical Information

The website host or infrastructure provider may automatically process technical information needed to deliver and secure the site, such as IP address, browser or device information, request logs, and security-related data. Moonshine_Gaming3™ does not necessarily receive or independently store all information processed by hosting providers.

3. Cookies and Analytics

The current site may use technical functionality required for normal website operation. If analytics, advertising, tracking pixels, accounts, mailing lists, or additional non-essential cookies are added later, this policy should be updated to describe those practices.

4. Third-Party Links

The website may link to YouTube, TikTok, Instagram, Facebook, Discord, and other third-party services. Visiting those services is subject to their own privacy policies and practices.

5. How Information Is Used

Information voluntarily submitted may be used to communicate with you, respond to permission or copyright requests, maintain the website, address abuse or security issues, and comply with applicable legal obligations.

6. Sharing

Personal information is not sold by Moonshine_Gaming3™. Information may be disclosed when reasonably necessary to operate the site, use service providers, comply with law, protect rights or security, or respond to a valid legal request.

7. Retention

Information may be retained only as long as reasonably necessary for the purpose for which it was received, recordkeeping, dispute resolution, security, or legal obligations.

8. Children

This website is not designed to knowingly collect personal information directly from children through account registration or similar features. If the site's features materially change, this section should be reviewed.

9. Changes to This Policy

This policy may be updated when the website's features, service providers, or data practices change. The current version will be the version published on the official website.
